

MINUTES OF THE REGULAR SESSION OF
THE CADDO PARISH COMMISSION
HELD ON THE 6th DAY OF JANUARY, 2022

The Caddo Parish Commission met in a Regular Session, on the above date, at 3:30 p.m., via Zoom teleconference, with Mr. Atkins, presiding, and the following members in attendance constituting a quorum: Commissioners Atkins, Burrell, Chavez, Epperson, Gage-Watts, Hopkins, Jackson, Johnson, Jones, Lazarus, Taliaferro, and Young (12). ABSENT: None (0).

The invocation was given by Mrs. Gage-Watts, and Mr. Chavez led the Commission in the Pledge of Allegiance.

AGENDA ADDITIONS

It was **moved by Mr. Young**, seconded by Mr. Chavez, *to expand the agenda and add proposed Resolution No. 9 of 2022, a resolution authorizing the Parish Attorney's Office to request an opinion from the Louisiana State Attorney General's Office regarding the authority of the Parish Commission functioning as a Planning & Zoning Commission and otherwise providing with respect thereto under Resolutions.*

Mr. Epperson asked for clarification for Resolution No. 9. Mr. Johnson explained that it deals with obtaining an Attorney General's opinion regarding the Caddo Parish Commission acting as a Planning & Zoning Commission.

Mr. Young said that this resolution is a response to the many communications that have been received from constituents in the rural parts of the Parish. They prefer not to have an appointed board of unelected people to make zoning and planning decisions.

Mr. Johnson pointed out that a Commission can submit a request for an Attorney General's opinion without a resolution. Attorney Bernstein explained that if it is a request from the Commission, it needs to be a formal resolution of the governing authority.

Mr. Burrell wanted to know the difference between this and having an MPC. He said that they are not elected to make zoning decisions. Mr. Young explained that the planning board as envisioned by Ordinance No. 6071 would be an appointed board. If the Caddo Parish Commissioners served as the zoning board, then it would be made up of elected officials.

Mr. Johnson wanted to know if the Legal staff have an opinion on the legality of this issue. Attorney Bernstein explained that it is his and Attorney Frazier's opinion that the Caddo Commission would have to appoint a planning commission, and not the Caddo Commissioners serves as the planning commission.

Call for the Question by Mr. Epperson, seconded by Mrs. Gage-Watts. Motion carried, as shown by the following roll call votes: AYES: Commissioners Atkins, Burrell, Chavez, Epperson, Gage-Watts, Hopkins, Jackson, Johnson, Jones, Lazarus, Taliaferro, and Young (12). CITIZENS COMMENTS

Mayquie Jackson called in and gave the following comment:

How are you all feeling? I am great. I am actually like to add I have been feeling anxious for the fact that crisis does not take a holiday. Crisis shows up everyday on unwanted guests. Crisis really show up and show out. Crisis doesn't care about crisis. I am the CEO/founder of Operation Neighborhood Reinforcement. I was asked the Caddo Parish Commission APR Committee which was held on November 4, 2021 November, and I wasn't truly impressed with the Parish and the ARP Committee environment within the Caddo Parish. I would welcome the opportunity to be a part of that. As I look forward to hearing from the full body Caddo Parish Commission on the final decision on funding, I anticipate and anxiously we wait. We do not know when we are going to mobilize our crisis team within the Caddo Parish. I was told the next second funding would be added to the workforce session full body agenda to be voted on. And so we are here just to say to the full body when can we be added to the agenda item as an agenda item. I yield back.

RESOLUTIONS

It was **moved by Mr. Johnson**, seconded by Mr. Hopkins, *that Resolution No. 1 of 2022, a resolution authorizing the Caddo Community Action Agency, Inc. to administer the Head Start Program for the Parish of Caddo, and to otherwise provide with respect thereto* be adopted.

Mr. Epperson mentioned that there are a few Head Start Centers that are closed down due to COVID outbreaks.

At this time, Mr. Johnson's motion carried, as shown by the following roll call votes: AYES: Commissioners Atkins, Burrell, Chavez, Epperson, Gage-Watts, Hopkins, Johnson, Jones, Lazarus, Taliaferro, and Young (11). NAYS: None (0). ABSENT: Commissioner Jackson (1). ABSTAIN: None (0).

RESOLUTION NO. 1 OF 2022

BY THE CADDO PARISH COMMISSION:

A RESOLUTION AUTHORIZING THE CADDO COMMUNITY ACTION AGENCY, INC. TO ADMINISTER THE HEAD START PROGRAM FOR THE PARISH OF CADDO, AND TO OTHERWISE PROVIDE RESPECT THERETO

WHEREAS, the Caddo Parish Commission desires to obtain state and federal funds, where available, to benefit low and moderate income persons in the Parish of Caddo; and

WHEREAS, federal grants which are administered by the U.S. Department of Health and Human Services are available for the purpose of providing a Head Start Preschool Education Program to qualified parish governments; and

WHEREAS, the program provides a comprehensive program to children in Early Head Start ages 0-3 and Traditional Head Start ages 3-5 and their families; and

WHEREAS, this program consists of five components: education, health, parent

involvement, social services and transportation; and

WHEREAS, the aforementioned program provides critical services by assisting children from low and moderate income families during their formative years; and

WHEREAS, the Caddo Community Action Agency, Inc. has administered this program for the Caddo Parish Commission over the last forty-five (45) years; and

WHEREAS, the Caddo Parish Commission is the appropriate agency to receive federal and/or state funding for the purpose of providing programs to support the indigent persons living with the Parish of Caddo.

NOW, THEREFORE, BE IT RESOLVED by the Caddo Parish Commission, in due, legal and regular session convened, that the Caddo Parish Commission does hereby authorize the Caddo Community Action Agency, Inc. to administer the Head Start program on behalf of the Parish of Caddo.

BE IT FURTHER RESOLVED that Laurance Guidry and/or his successor is hereby authorized to do all things necessary to implement, maintain, amend or review any documents associated with the Head Start Program from the effective date of this resolution through January 31, 2023.

BE IT FURTHER RESOLVED that if any provision or item of this Resolution or the application thereof is held invalid, such invalidity shall not affect other provisions, items or applications which can be given effect without the invalid provisions, items or applications, and to this end the provisions of the Resolution are hereby declared severable.

BE IT RESOLVED, that this resolution shall take effect immediately.

BE IT FURTHER RESOLVED that all resolutions or parts thereof in conflict thereof are hereby repealed.

It was **moved by Mr. Taliaferro**, seconded by Mr. Burrell, *that Resolution No. 2 of 2022, a resolution approving the amended 2021 Budget and the proposed 2022 Budget of the North Louisiana Criminalistics Lab Commission, and otherwise providing with respect thereto* be adopted.

Mr. Taliaferro explained that the Commission is a formal approval for the budget.

Mr. Johnson said that they are operating in the red. He wanted to know if the North LA Crime Lab would come back to the Parish for additional dollars if they keep operating in the red. Mr. Atkins agreed with Mr. Johnson's observation, but said that they did have some capital activities going on that was increasing their expenditures.

Dr. Wilson said that the Caddo Parish Commission does not provide funding for this agency. Mrs. Bryant said that she does not recall in the past where the Commission has funded the lab for any shortfalls. Dr. Wilson also pointed out that there are several other parishes who are a part of the crime; they just reside in Caddo.

Mr. Burrell is not sure why this organization is operating in the red. The Clerk of the Commission explained that the pandemic decreased their income. The writing of tickets, bonding, and court appearances have been sporadic and at times shut down in the past few years. He said that is what has caused a decrease in revenues the past few years. The Clerk also explained that the Crime Lab covers twenty-nine parishes.

Mr. Jackson wanted to know if Caddo was the only parish who approves their budget. The Clerk of the Commission said that their budget needs to be adopted by fifteen of the twenty-nine parishes. Mr. Jackson then wanted to know if any of the parishes would be committed to any shortfalls. Attorney Bernstein explained that their funding is entirely by court costs that are assessed in certain criminal cases. He also explained that the Parish is not obligated to cover any losses.

Mr. Epperson requested that a representative from the Crime Lab be invited to a meeting to answer any of the Commissioners' questions.

Mr. Jackson wanted to know the reason this is a resolution, and not an ordinance. The Clerk explained that this is not our budget, but a passthrough. Mr. Jackson wanted to know Caddo Parish's relationship to this budget. Attorney Bernstein explained that the statute specifically says that the Commission shall prepare an annual budget which shall be approved by at least a majority of the governing authorities of the parishes which the Commission serves.

At this time, Mr. Taliaferro's motion carried, as shown by the following roll call votes: AYES: Commissioners Burrell, Chavez, Gage-Watts, Hopkins, Johnson, Jones, Lazarus, Taliaferro, and Young (9). NAYS: Commissioners Atkins and Epperson (2). ABSENT: Commissioner Jackson (1). ABSTAIN: None (0).

RESOLUTION NO. 2 OF 2022

BY THE CADDO PARISH COMMISSION:

A RESOLUTION APPROVING THE AMENDED 2021 AND PROPOSED 2022 BUDGETS OF THE NORTH LOUISIANA CRIMINALISTICS LABORATORY COMMISSION AND TO OTHERWISE PROVIDE WITH RESPECT THERETO

BE IT RESOLVED, by the Caddo Parish Commission in due, legal and regular session convened this 6th day of January, 2022, that it hereby approves the amended 2021 and proposed 2022 budgets of the North Louisiana Criminalistics Laboratory Commission, as presented.

BE IT FURTHER RESOLVED that if any provision or item of this resolution, or application thereof is held invalid, such invalidity shall not affect other provisions, items or applications which can be given effect without the invalid provisions, items or applications, and to this end, the provisions of this resolution are hereby declared severable.

BE IT FURTHER RESOLVED that this resolution shall become effective immediately.

BE IT FURTHER RESOLVED that all resolutions or parts thereof in conflict herewith are hereby repealed.

It was **moved by Mr. Epperson**, seconded by Mr. Jackson, *that Resolution No. 3 of 2022, a resolution requesting Congress to take such action as are necessary to eliminate provisions of federal law which require veterans to pay taxes on their social security benefits, and otherwise providing with respect thereto* be adopted.

Mr. Epperson explained that this is so veterans would not have to pay taxes on their social security benefits.

Substitute motion by Mr. Johnson, seconded by Mr. Hopkins, *to englobe and adopt the following resolutions:*

- *Resolution No. 3 of 2022, a resolution requesting Congress to take such action as are necessary to eliminate provisions of federal law which require veterans to pay taxes on their social security benefits, and otherwise providing with respect thereto*
- *Resolution No. 4 of 2022, a resolution supporting and requesting a U.S. postage stamp be named in honor of the late Colonel Steven dePyssler, and otherwise providing with respect thereto*
- *Resolution No. 5 of 2022, a resolution expressing support for the Lofts at 114 Texas Project, and otherwise providing with respect thereto*
- *Resolution No. 7 of 2022, a resolution authorizing the Parish Administrator to retain special legal counsel and otherwise providing with respect thereto*
- *Resolution No. 8 of 2022, a resolution replacing Resolution No. 116 of 2011 relative to adoption of a master plan for Caddo Parish, and otherwise providing with respect thereto*

Mr. Jackson invited Mr. Edward Taylor to answer any questions regarding Resolution No. 5. Mr. Edward Taylor, Fairfield Management, explained that this property is concerning the building that is connected to Chicago and Blind Tiger. He said that the building has a crumbling wall and is the old Humphrey's. Mr. Taylor also explained that they have been working with the property owner to redevelop it and rehab it.

Mr. Atkins appreciates them taking this building on and doing it with local people, local investors, and local builders.

Mr. Jackson said that the Housing Corporation and the Parish will need to do a cooperative endeavor agreement supporting this project. He explained that the \$1.5M will flow through the Parish to the developers to be able to complete this project. Mr. Jackson also said that there might be an ask for a pilot, but that would be brought to the Industrial Development Board.

Mrs. Gage-Watts spoke on Resolution No. 8. She believes that it is advantageous to have a relationship with the MPC. She also believes that this resolution is divisive.

Mr. Hopkins also spoke about Resolution No. 8. He said that this resolution is to repeal the Master Plan. He also explained that it is a two-tiered deal where the Commission has to do a resolution, then an ordinance. Act 294 separated the MPC from the unincorporated areas of the Parish. The 2030

Great Expectations is still on the books, but it is more of an urban written Master Plan, and not representative of the rural areas of the Parish. Mr. Hopkins also said that if this is done away with, the Parish can write its own comprehensive plan. He also believes that the Great Expectations Master Plan “works great for the City, but not for the rural parts of the Parish”.

Mr. Epperson wanted to know if this would affect the urban areas as well. Attorney Bernstein said that it would only repeal the Master Plan in the unincorporated areas of the Parish because the City also adopted the Master Plan, independently.

Substitute motion by Mr. Jackson, seconded by Mr. Jones, *to englobo and adopt the following resolutions:*

- *Resolution No. 3 of 2022, a resolution requesting Congress to take such action as are necessary to eliminate provisions of federal law which require veterans to pay taxes on their social security benefits, and otherwise providing with respect thereto*

It was **moved by Mr. Hopkins**, seconded by Mr. Chavez, *that Resolution No. 8 of 2022, a
resolution replacing Resolution No. 116 of 2011 relative to adoption of a master plan for Caddo Parish, and
otherwise providing with respect thereto* be adopted.

Mr. Hopkins explained again that Act 294 separated the Caddo Commission from the MPC
and restricts the Master Plan to areas inside the City of Shreveport. This resolution will repeal the Master
Plan for the unincorporated areas and allow the Commission to start the process to draft a comprehensive
plan that is more suitable for the unincorporated areas of the Parish.

Mr. Jackson said that he is mindful of the concerns resonated from the citizens in the rural
areas, but citizens in the urban areas will also be affected by this. He gave an example of homes built on
the edges of the City who want the protections of zoning. Mr. Jackson advised the Commission to proceed
with caution on this matter. He said that there has to be something in place for these unique areas.

Mr. Epperson received several emails relative to this issue. He said that there were several
public meetings with regards to the Master Plan in 2011. He also gave an example of Annie Lewis Drive
and Santa Monica where he can spread his legs thirty-six inches apart and be halfway in the City and the
other half in the Parish. He said that property values will be affected, and he is not comfortable with this.

Mr. Chavez wanted to know the reason for both the resolution and the ordinance. Attorney Bernstein explained that the Master Plan was adopted by both a resolution and ordinance. To completely sever the Parish from the Master Plan, the resolution and the ordinance will both need to be repealed.

Mr. Johnson pointed out that the Master Plan is for both Shreveport and Caddo. You cannot take Shreveport out of Caddo, he said. Mr. Johnson also stated that the Master Plan may need to be revised.

Mr. Burrell wants to know how this will affect the urban Commissioners if the Master Plan is eliminated. He said that it seems the problem is the UDC, and the MPC Director suggested setting up a rural UDC. I'm not clean on why we have to reinvent the wheel, just take what we have and modify it to fit the rural area, he said.

Mr. Hopkins explained that Act 294 states that the Master Plan is inside the City of Shreveport. He also said that the urban Commissioners will have representation in that aspect. Mr. Hopkins also explained that the needs for the rural area are different from the needs of the urban areas. He also said that the rural citizens wanted both the UDC and Master Plan eliminated.

Mr. Burrell reiterated that Director Clark presented the rural citizens with a modified version of the UDC that was more suitable for rural areas, but they did not want that either. Mr. Clark said that the MPC has studied the situations in the unincorporated areas of the Parish and determined that there is some blame with what the Caddo Parish Commission adopted and the MPC Board recommended. They have been working on a document that is more rural in character to amend the Caddo Parish Unified Development to reflect conditions that exist in the Parish. Mr. Clark also explained that the MPC has been in contact with planners all over the region with regards to rural codes and rural living. Rural codes and rural living is rural code and rural living regardless to where you are, he said. The Master Plan blends the connection between the City of Shreveport and the Parish of Caddo. This is crucial, he said, you should want development to be consistent and flow between the two boundaries.

Mr. Atkins pointed out that this issue deals with the Master Plan, not the UDC. He asked to stay germane to the discussion. Mr. Burrell said that the UDC is where the "heartburn came in".

Substitute motion by Mrs. Gage-Watts, seconded by Mr. Epperson, *that Resolution No. 8 of 2022, a resolution replacing Resolution No. 116 of 2011 relative to adoption of a master plan for Caddo Parish, and otherwise providing with respect thereto* be postponed.

Mrs. Gage-Watts said that there is still uncertainty on both sides of this issues. She asked that this be vetted further.

Mr. Hopkins asked that this be postponed to the February 3 Regular Session. Mrs. Gage-Watts agreed.

Mr. Jackson requested that Administration to get out into the Parish and hear the citizens' thoughts on repealing the Master Plan. He said that he has only heard from District 1 constituency, but would like to hear from the rest of the Parish.

It appears that this is not driven by your ordinary citizens, Mr. Epperson said, it is some kind of organization coming out spreading a lot of misinformation. He also said that he has not received a single complaint from his constituents with regards to this issue.

At this time, Mrs. Gage-Watts' motion carried, as shown by the following roll call votes: AYES: Commissioners Atkins, Burrell, Chavez, Epperson, Gage-Watts, Hopkins, Jackson, Johnson, Jones, Lazarus, and Young (11). NAYS: None (0). ABSENT: Commissioner Taliaferro (1). ABSTAIN: None (0).

NEW BUSINESS

It was **moved by Mr. Jackson**, seconded by Mr. Jones, *to appoint Sgt. Gary Bailey to the Caddo Parish Animal Services Board (law enforcement representative) to fill the unexpired term of Dep. Jessica Anderson (term to expire January 1, 2026)* be adopted. Motion carried, as shown by the following roll call votes: AYES: Commissioners Atkins, Burrell, Chavez, Epperson, Gage-Watts, Hopkins, Jackson, Johnson, Jones, Lazarus, and Young (11). NAYS: None (0). ABSENT: Commissioner Taliaferro (1). ABSTAIN: None (0).

The Commission then moved onto the next New Business item, *Discuss Camera Doorbell Crime Reduction Program for Caddo*. It was **moved by Mrs. Gage-Watts**, seconded by Mr. Johnson, *that this item be removed from the agenda. No vote needed since they are the authors of the discussion item.*

ADMINISTRATION REPORT

- Updated demographic information from Data Center

Dr. Wilson provided an updated demographic document showing all of the ethnicities in

Caddo Parish.

- Tim James, Inc.

Dr. Wilson said that the proposed roadway connecting 3132 to Bossier Parish is called the Red River Expressway. He introduced Attorney William Bradford to the Commission.

Attorney Bradford explained that they will be presenting at the Long Range Planning Committee tomorrow. Tim James, Inc. has proposed an eight-mile roadway that will traverse between Caddo Parish and Bossier Parish effectively connecting the end of 3132 at Flournoy Lucas to Hwy 171 in Bossier by Parkway. State law requires that the parishes enter into a cooperative endeavor agreement with the parishes that outline the ability of the developer to construct the roadway, maintain the roadway, and set and fix tolls. Attorney Bradford pointed out that the only place where a citizen would pay a toll is when they cross the bridge; the other parts of the roadway would be free for use. He said that the roadways would be new construction funded by private dollars, and it would connect two of the largest growing economic corridors in Caddo and Bossier Parish. The roadway is planned to be constructed by 2026. Bossier Parish has already given approval, and they are working with the City of Shreveport to secure some right-of-ways. They have met with several homeowner associations along the roadway, as well as the landowners. They provided options on how they would manage visual and noise pollution that would occur because of the roadway. Attorney Bradford also mentioned that they have the support from LADOTD and the Port. The cost of the project is between \$80M-\$100M, and is an investment by a private developer. Attorney Bradford also explained that they've reached a fifteen-year maintenance agreement to maintain the roadway, and the usable life of this would be well in excess of an ordinary roadway. They are not asking the Parish at this time to use any of its real dollars. Attorney Bradford also explained that this is the last step before they can go into development in earnest.

Tim James, Jr. also mentioned that the roadway they are asking the Parish to take in is roughly two miles.

Mr. Epperson wanted to know what prompted Tim James, Inc. to take on this project. Mr. James said they are headquartered in Alabama, and this is the family business. He also explained that his father built a successful private toll bridge in Alabama. They look all over the southeast for underserved infrastructure. He said that they discovered this project by studying maps.

Mr. Epperson requested that Administration provide maps of the proposed eight-mile stretch. Attorney Bradford said that he can forward updated maps to the Commissioners. Mr. Epperson also asked that the names of the property owners be listed on that map. Mr. Jackson also requested a copy of this map, as well as a copy of the cooperative endeavor agreement.

Mr. Jackson said that he would like to pursue Ford Street for the right-sizing program. He also explained that the traffic count for this street is 6,000 cars. He believes that there needs to be quality infrastructure throughout Caddo Parish. Mr. Jackson also pointed out that this road is named after Mr. Carl Pierson and was passed by the Caddo Parish Commission. He asked that the Clerk's Office provide that resolution to the Commissioners. Mr. Jackson also requested that a resolution be drafted to support Ford Street for the right-sizing program. Dr. Wilson acknowledged Mr. Jackson's request, but also mentioned that there are obstacles with Ford Street. He said that the issues they had with it four years ago still exist today. Dr. Wilson said that the utilities under the road need to be repaired first by the City of Shreveport.

Mr. Epperson requested that Mr. James email him at his caddo.org email address.

Mr. Atkins thanked Mr. James and Attorney Bradford for attending today's meeting and looks forward to working on this project.

- Emergency Rental Assistance Program

Dr. Wilson said that they were expecting to receive information regarding the program yesterday, but have yet to receive it.

COMMUNIQUES AND COMMITTEE REPORTS

- Mr. Hopkins said that in 2020, a proposed business moved to the Hwy 2 and I-49 interchange. At that time, there was a request to look at options to finance it. One of the ideas was a TIF district. Mr. Hopkins felt it was a good idea to put all of the I-49 interchanges from Hwy 173 North to the Arkansas line in this TIF. Since then, property owners have contacted him stating that they do not want to be a part of the TIF. He said that there were concerns regarding property taxes. Mr. Hopkins said that he will be bringing down that TIF district to include only the property that the proposed business is looking at and any other property related to that interchange.

- Mrs. Gage-Watts thanked the members of the Citizens Advisory Committee for Juvenile Services.

She also reminded everyone to stay safe, consider vaccinations and boosters, wear masks, and practice social distancing. She also cautioned everyone to postpone large gatherings. Testing and vaccinations are available at the LA State Fairgrounds Monday through Saturday from 10:00 a.m. to 5:00 p.m. Vaccines and boosters are also available at LSU Ochsner.

Lastly, Mrs. Gage-Watts talked about the riot at the U.S. Capitol that happened a year ago today. She said that she will never forget this day.

- Mr. Epperson said that there are two Head Start Centers that are fully closed as well as many classrooms. He said that there were numerous children and staff that were affected by COVID.

He also talked about Master Sgt. Tony T. Williams, who was one of the first student Commissioners for the day. Master Sgt. Williams plans to retire and return to Caddo Parish.

Mr. Epperson then recognized January 6th as the one-year anniversary of one of the worst atrocities that happened on American soil. It was appalling, unpatriotic, un-American, and it was tyranny against our sovereign nation, he said.

- Mr. Jackson said that Martin Luther King, Jr. Day is coming up. He encouraged all to attend events in his honor.

Mr. Jackson also talked about the January 6 attack on the Capitol. He said that the lies, taunting, and teaser led to the attack. He commended Senator Bill Cassidy who said that we, as leaders, should call out rhetoric and bigotry as we see it. He wants to ensure that this community and parish does not have its own version of the January 6 attack.

- Mr. Burrell said that two situations that impacted his life quite a bit. One being the terrorist attack on 9/11 and the second being the attack on the U.S. Capitol on January 6. He said that he felt empty and fearful that "our country that was under attack again from our own people". We are all supposed to be a part of the United States of America, he said.

At this time, there was no further discussion to come before the Commission, so the Commission adjourned at 6:38 p.m.
