

ORDINANCE AND RESOLUTION AUTHORIZATION FORM

CADDO PARISH COMMISSION

TITLE	
ORDINANCE TO AUTHORIZE AN EXCHANGE OF LAND WITH CHIMP HAVEN	
ORIGINATING DEPARTMENT: Parks and Recreation	
BACKGROUND INFORMATION: Chimp Haven wants the Parish to transfer five acres to it so that it will have a buffer for its expansion plans. They are willing to exchange 19.31 acres on the otherside of their facility for the five acres they need. There is a mountain bike trail that crosses an edge of the five acres and Chimp Haven does not object to the Parish continuing to use that. Parks and Recreation has plans for horse trails that would use the 19.31 acres which the Parish would gain.
