RE: Ward II appointment

Dear Board of Commissioners:

The Town Council of Oil City Louisiana has voted to recommend Alderwoman Cynthia Barkschat to be appointed to the Ward II Board. Mrs. Barkschat was born and raised in Oil City and upon retirement, returned to her hometown. Her love for Oil City is evident in the fact that she offers her support and assistance in every avenue available to her. I feel that the appointment of Mrs. Barkschat to the Ward II Board will be beneficial to our community as a whole.

Sincerely,

James T. Sims
