In addition to our hosted events, the Parish partners with numerous community, civic and governmental organizations to present multiple park events throughout the year. Without the support of Parish staff and resources, these events might not be possible.

The Parks and Recreation Staff is committed to providing quality facilities, recreational programs, and other leisure time activities for the enjoyment, health, and benefit of the residents of Caddo Parish. In carrying out this responsibility, the department provides clean, safe park facilities throughout the Parish and a variety of recreational programs to ensure a positive experience for all visitors.

- **2017 by the numbers** -

.83 Millage Renewal

**Facts**

- **NOT a new tax** - this is a continuation of a millage already in place
- This Public Facilities & Recreation millage was designed to renew every 10 years
- This millage funds 98% of all parish parks operations
- This millage has funded parish parks operations for over 30 years

.83 Millage Renewal

**What does it cost me?**
