

**CADDO PARISH

POLICY & PROCEDURES**

Introduction

The purpose of these Grant Management policies and procedures is to develop, implement and maintain meaningful Non-Governmental Organization (NGO) grant oversight and coordination for the Parish in order to improve the efficiency and impact of programs and services funded through grants.

Policy Statement

To ensure consistency and accountability in managing grant funds, all grant applications must be submitted through the Finance Office, which shall oversee all requests, application submissions, acceptances, and post award and closeout requirements.

Award Notification, Review, and Acceptance

Grant agreements are legal contracts. It is the NGOs responsibility to carry out the project and/or activities associated with a grant to accomplish its objectives, while adhering to all of the terms and conditions prescribed by the Parish. Failure to do so increases the NGOs exposure to legal liability and compromises current and future grant funding. Therefore, the NGO carries a significant legal and ethical responsibility when accepting grant funding.

Grant workshops will be hosted by the Parish for awardees. Attendance of a grant workshop is mandatory. You may contact the grants coordinator with any questions you may have including, but not limited to, award disbursement process, CEA clarifications, eligible expenditures, and required reporting .

Grant Awards

1. **Notifications and dispersal of funds.** The Parish notifies all applicants if their application has been successful and begins the process of securing supporting information and issuing payment for successful applicants. Grantees must submit a request for funds through the grant coordinator to arrange for payment. Checks are sent by mail or electronically to bank accounts designated by the applicant.
2. **Communications.** All official communications and notifications will be made to the named individual applicant or the individual designated as the organization's point of contact. It is this individual's responsibility to communicate the Parish of Caddo's requirements for the grant award to collaborators or other participants. This includes, but is not limited to, requirements for compliance with grant agreements, and reporting.
3. **Implementation.** Grantees shall implement programs and/or projects as outlined in the CEA. Any change to the project, venue, Grantee address, schedule, and/or changes to point of contact must be reported to grants@caddo.org.
4. **Award amount.** The Parish of Caddo reserves the right to adjust the amount of a grant award offered to an Applicant. **The grant(s) awarded by the Parish of Caddo must not exceed 50% of the NGOs budget for more than three (3) years.**
5. **Vendor forms.** Grantees must submit a current IRS W-9 form in order to receive the grant award. The W-9 must be in the same name as the Grantee named on the grant application. Failure to supply a proper W-9 may invalidate the grant award.
6. **Agreement.** When a grant award is made by the Caddo Parish Commission, the

successful Applicant will be contacted by staff to sign a Cooperative Endeavor Agreement (CEA). In that agreement, the Grantee will be informed of the scope of services covered by the grant. Grantees must carefully review the program/project scope on the CEA as it may be different from the proposed scope on the original application.

7. **Issuance of funding checks.** Once the agreement is signed, the agreement along with an invoice should be submitted to the Parish Finance Department. **Payment of grant will be paid in two payments.** The first payment of ½ the award will be disbursed within 30 days of invoice receipt. The second payment (the remaining balance) will be made at the end of the program after final report is received. Failure to submit a final grant report will result in ineligibility to apply for future grants.

Reporting

Grants awarded to NGOs require that semi-annual financial reports be submitted to the Parish. Accurate and timely reporting is critical to maintaining a good working relationship with the Parish. Late or inaccurate reports may negatively impact current or future funding.

In addition to financial reports, an NGO Outcome Report is also due at the end of the project/program. This report should restate the goals in the application and document and support the outcome of the program. The report template can be found on the Finance website at www.caddo.org.

Grant Reporting Procedure

1. An NGO receiving grant funds through the Caddo Parish Commission's appropriation process must submit two separate reports detailing the use of those funds as follows:
2. Funds used from January 1 – June 30 of the appropriation year (due by July 31st),
3. Funds used from July 1 – Dec. 31 of the appropriation year (due by Jan. 31st of the next fiscal year).
Note: Each NGO must submit both reports, regardless of the amount and timing of program expenditures during the reporting period.
4. The NGO must **include detailed expense ledgers** along with receipts and proof of payment with any other supporting documentation to the Finance Department for review. An expense ledger template has been made available to download on the Finance website at www.caddo.org.
5. Each expense listed on the ledger should include the purpose of the expense. This ensures that the expense is related to the program scope as listed on the CEA.
6. The Grant Coordinator is responsible for reviewing semi-annual reports for

completeness, accuracy and compliance. Any delinquencies or deficiencies should be reported to the Director of Finance and the Parish Attorney's Office.

7. The **NGO Outcome Report** will be used to evaluate the project/program achievements against proposed and expected results. The NGO Outcome report is due January 31st of the next fiscal year.
8. Filing reports more than 30 days late could jeopardize future funding.
9. If any organization is not in good standing with the IRS, State of Louisiana and the Parish of Caddo funding will be suspended for at least one year one good standing is obtained.
