HUNGRY FOR LOVE!

Caddo Parish Animal Services and Raising Cane's Chicken Fingers are teaming up to promote pet adoption for the month of February.

Shreveport, LA – Are you ready for the unconditional love of a shelter pet? Caddo Parish Animal Services and Raising Cane's Chicken Fingers are teaming up to celebrate Valentine's Day the entire month of February. Let us help you find your true "one love".

Everyone who adopts from the Caddo Parish Animal Shelter in the month of February will receive a coupon for a free box combo meal from Raising Cane's Chicken Fingers and Caddo Parish Animal Services is cutting their adoption fee in half.

In 2009, Caddo Parish Animal Services adopted more than 1,600 animals. We think we can do better, but we need your help. Almost ten thousand dogs and cats arrive at the Caddo Parish Animal Shelter each year just waiting to provide you with unconditional love. For the low adoption fee of \$25.00 (half price, regularly \$50.00) the love of your life, in this case one of our many available dogs and cats, will receive basic vaccinations, rabies shots and tags, spay/neuter procedure, a physical examination by a licensed veterinarian and the piece of mind knowing you saved a life

The Caddo Parish Animal Shelter is open Monday, Wednesday and Friday from 10:00 AM until 5:00 PM and on Tuesday and Thursdays from 10:00 AM until 7:00 PM. Everyone is invited to visit the available dogs and find the one that will rock their world. More information about Caddo Parish Animal Services is available at www.caddopets.com.

Please help save a life and help us achieve our goal of becoming the most animal friendly city in the South.
